CAVEAT(S): Some agencies use an alternate model for the administrative level 2 'district council or city council' boundaries in which four city councils (Zomba City MW314, Lilongwe City MW210, Blantyre City MW315, and Mzuzu City MW107) are consolidated with adjacent district councils. This is documented in the 'mwi_district_lookup' table in the [Malawi administrative level 0-3 boundaries HDX dataset](#).
