COD-PS link:	<i>yes</i>	<i>yes (see caveats)</i>

METHODOLOGY

Acquired from www.gadm.org

P-coded to conform to the COD-PS.

CAVEATS

British Virgin Islands (VGB) Administrative Boundary Common Operational Database (COD- AB)

The district assignment of the smaller mostly uninhabited islands near Cooper Island is uncertain. They have been given administrative level 1 name "uncertain" and P-code VG00. That collective feature will not link to the COD-PS.
